

can be physical

Any unwanted touch, groping, sexual activity while you are asleep, too intoxicated, or too young to consent is sexual violence.

can happen online

Any pressure to send nudes, receiving unwanted pictures, sexual comments or DM's, leaking or sharing personal pictures without permission is sexual violence.

Sexual Violence

can be coercive

Any manipulation, lies, using the relationship, social pressure, gender stereotypes or threats that make you feel like you cannot say no, is sexual violence.

can be verbal

Any unwanted comments about your body, graphic sexual language, insults about orientation or sexual behavior, or threats, is sexual violence.

Sexual violence is not your fault.
